AIC
004/16
17 July 2016

This AIC has been issued to all concerned for the information, guidance and compliance.

.....
Director General
Civil Aviation Authority of Nepal

The Fencing towards South, South East, West and North West of existing Runway of Gautam Buddha Airport will be shifted temporarily to construct link taxiway.

* The existing fencing will be shifted (maximum fencing height of 2.3m) at four different directions accordingly:

- a. South East of Runway 28 (150m East of Threshold and 25m South of approach light).
- b. 100m West of Runway 10 (along North to South).
- c. 72m South of Runway (80m, parallel and North of existing fencing on South).
- d. North West of Runway (70m North from centerline of Runway).
